

Dear CES-Ontario Members,

I would like to announce the Annual General Meeting (AGM) for the CES-Ontario chapter to be held during the annual Ontario conference (October 4<sup>th</sup> and 5<sup>th</sup>, 2010). We would like to invite all members of the chapter to attend the AGM. The AGM is a great opportunity to meet other Board members and hear about the activities of the Chapter from the past year, as well as our plans for the upcoming year.

### **CES-ON Board Member Nominations**

The CES-Ontario Chapter is currently looking for new Board members for 2010. The Board of Directors can be a wonderful opportunity for interested members to help develop and deliver services to members and develop closer ties with peers. Board members contribute to the work of a committee by serving as chair, as well as provide input into the work of other committees and the ongoing business of the Board. The large majority of Board meetings are now held via teleconference to encourage participation from members outside of the GTA. In order to broaden member representation on the Board, *we are particularly interested in receiving nominations from members located outside of Southern Ontario*. Additional Board information can be found in the attached document, "Considering Joining the CES".

Please find attached the Nomination Form for the 2011 CES Ontario Chapter Board of Directors. Those nominated must be current members of CES-ON. If you are interested in becoming a candidate for one of these Board positions, please forward the completed Nomination Form with your agreement to serve and the nominations of two other members of the chapter, to the Nominations Committee, six weeks prior to the Annual General Meeting for the CES-Ontario chapter at the following address or fax:
